Other Specification

Qualifications:

- Bachelor's degree in Graphic Design, Animation, Visual Effects, or a related field. Relevant certifications or training programs are a plus.
- Proven experience as a motion graphic artist, animator, or visual effects artist, preferably in a creative agency or production studio.
- Proficiency in motion graphics software, such as Adobe After Effects, Adobe Premiere Pro, Cinema 4D, Autodesk Maya, or similar tools.
- Strong artistic skills, including a keen eye for design, composition, color, and typography.
- Excellent animation skills, with a solid understanding of keyframe animation, timing, easing, and motion dynamics.
- Ability to work collaboratively in a fast-paced environment, manage multiple projects simultaneously, and meet tight deadlines.
- Strong communication, presentation, and problem-solving skills.
- Portfolio showcasing a diverse range of motion graphics projects, including animations, videos, and multimedia content.

Job Description

Responsibilities

- 1. Conceptualizing and storyboarding motion graphics projects.
- 2. Creating animations, kinetic typography, and visual effects.
- 3. Editing and compositing footage, graphics, and visual effects.
- 4. Integrating audio elements to enhance storytelling.
- 5. Collaborating with creative teams to align on project goals.
- 6. Incorporating feedback and revisions into motion graphics projects.
- 7. Conducting quality checks and testing for optimal playback.
- 8. Optimizing motion graphics assets for performance and file size.
- 9. Staying updated on industry trends and best practices.
- 10. Managing multiple projects and meeting tight deadlines.
